*To the patients of Bennardi Barberio Dentistry,*

*We would like to thank you for entrusting us with the care of your dental health needs over the years. We are very proud to introduce Dr. Ryan Koch as the newest member of our dental team. As a native of our local community, Dr. Koch is a 2012 graduate of Jersey Shore Area Senior High School and he received a biochemistry degree from Lock Haven University. After continuing his studies at Elms College in Springfield, Massachusetts where he received a Masters in Biomedical Science in 2019, Dr. Koch attended Midwestern University College of Dental Medicine in Arizona where he received multiple awards in Clinical Excellence and Digital Dentistry.*

*In his free time, Dr. Koch enjoys hunting and spending time with his fiancé and soon-to-be wife, Taylor. Rumor has it that Dr. Koch is also a Harry Potter enthusiast (an interest many of you will appreciate as near and dear to Dr. Mary).*

*In addition to being an excellent provider of routine dental care, Dr. Koch is highly skilled in implant placement, root canal therapy, same-day crowns, cosmetic restorations, and pediatrics. Dr. Koch has been trained to administer oral conscious sedation and is certified in laser dentistry and Invisalign (clear orthodontic appliances).*

*In July, as Dr. Barberio transitions into a new phase of his career, you will see Dr. Koch working with Dr. Bennardi as well as the same friendly team you have seen over the past 30+ years of our practice.*

*Please join us in welcoming Dr. Koch and stop by our Meet and Greet to be held on Friday, June 23 from 3 pm until 6:30 pm at our office. Once again, thank you for your patronage and we hope to see you then!*

*Sincerely,*

*Mary C. Bennardi, DMD  
Thomas F. Barberio, DMD  
Diane, Shelly, Debi, Betsy, Alycia, Ali, Sara,*

*Regina*
